

Clap your hands together for harvest time!  
Everybody come and stand in line.  
Put your best foot forward and dig the earth;  
Time to do some weeding for all your worth!

Scatter all the seeds, then take a rest.  
Pray that with good weather we'll be blessed,  
And then with your heart and soul  
Join in the harvest rock and roll!

*Oo yeah, harvest rock and roll!*  
*Oo yeah, harvest rock and roll!*  
*Oo yeah, harvest rock and roll!*  
*Oo yeah, harvest rock and roll!*  
*And now with your heart and soul*  
*Join in the harvest rock and roll!*

*[instrumental break]*

*Oo yeah, harvest rock and roll!*  
*Oo yeah, harvest rock and roll!*  
*Oo yeah, harvest rock and roll!*  
*Oo yeah, harvest rock and roll!*  
*And now with your heart and soul*  
*Join in the harvest rock and roll!*

*Oo yeah, harvest rock and roll!*  
*Oo yeah, harvest rock and roll!*  
*Oo yeah, harvest rock and roll!*  
*Oo yeah, harvest rock and roll!*  
*And now with your heart and soul*  
*Join in the harvest rock and roll!*

Oh, yeah, and now with your heart and soul,  
Hey, join in the harvest rock and roll!  
Oh, yeah, and now with your heart and soul,  
Join in the harvest rock and roll!  
Oh, yeah!
