

Brave

Jessie J, Don Diablo

I wanna, I wanna tell the world about it
Give a little, give a little something more of me (hah)
Show everyone that ever doubted
I got a whole lot of fire left in me
I wasn't, I wasn't ready to be honest
I know and I know I owe it to myself
So from that day I made a promise
I get up, I get up every time I fail

I'm brave

I'm brave

Even when the fear is staring in my face

Oh, I'm brave

I'm brave

I'm brave

I'm brave

Oh-oh, oh, oh

Oh-oh, oh, oh (I'm so brave)

Oh-oh, oh, oh

Oh-oh, oh, oh

I wanna, I wanna tell the world about it
I'm gonna, I'm gonna put it up in lights
'Til everybody with a heart is up
See I won't go, no I won't go without a fight

I'm brave

I'm brave

Even when the fear is staring in my face

Oh, I'm brave

I'm brave

I'm brave

I'm brave (Brave)

Oh-oh, oh,...
